---

Taylor’s University offers a range of financial awards to support local and international students to succeed in their postgraduate programmes. The financial support is awarded on a competitive basis where assessments include academic achievements, leadership qualities, scholastic aptitude, presentation skills and writing skills. Alignment to Taylor’s University’s strategic thrust is critical in the granting of these awards. All financial awards are subject to their own specific terms and conditions. The availability is limited and applicants should seek clarification with Taylor’s Graduate School at the time of application.
